SAIL NUMBERS OF RACING YACHTS

NOTES ON THE RACING YACHT SECTION

The Section of the Register dealing with Racing Yachts is designed to serve two main purposes :—

1. To list under the several Countries, yachts of the International, National and Ocean Racing Classes;
2. To provide in Part II a list of yachts, too small for inclusion in the main body of the Register, but which are governed by the International and National Authorities.

It will be seen, therefore, that Part II of the Racing Yacht Section goes some considerable way towards meeting the problem of listing small boats in the Register.

Identification of Racing Yachts

The following information is intended to facilitate identification:—

International Classes

All yachts of these classes should bear on both sides of the mainsail:—

(*a*) A number or emblem showing the class to which the yacht belongs;
(*b*) A letter showing the nationality;
(*c*) The number of the yacht in the particular class.

The following letters, indicating nationality, have been assigned by The International Yacht Racing Union.

A	Argentine	L	Finland
B	Belgium	M	Hungary
BL	Brazil	MD	Monaco
CZ	Czechoslovakia	N	Norway
D	Denmark	OE	Austria
E	Spain	P	Portugal
F	France	PH	The Philippines
G	Deutsche Bundes Republik and West Berlin	PZ	Poland
		RC	Cuba
GE	Greece	RM	Roumania
GO	Deutsche Demokratischen Republik	S	Sweden
		SR	Union of Soviet Socialist Republics
H	Holland		
I	Italy	TK	Turkey
J	Japan	U	Uruguay
K	United Kingdom	US	United States of America
KA	Australia	V	Venezuela
KB	Bermuda	X	Chile
KC	Canada	Y	Yugoslavia
KS	Singapore	Z	Switzerland
KZ	New Zealand		

Thus, a 6-metre yacht belonging to the United Kingdom and assigned the number 7 would bear on her mainsail:

$$\frac{6}{K7}$$

R.Y.A. Handicap Classes

The R.Y.A. Handicap Classes were assigned the numbers 1 to 99. The first 99 numbers having been exhausted, a second series of 1 to 99 was assigned, and subsequently a third series with a letter "Y" added was employed, thus:

1Y, 2Y, etc.

(*See List of Yachts on pages* 729 & 730.)

Ocean Racing Classes

The United Kingdom Ocean Racing Class numbers are assigned by The Royal Ocean Racing Club. They run from 100 to 499; 601 to 699; 751 to 899 and from 1,000. (*See pages* 730—732.)

The R.O.R.C., at the request of the French, Italian and Spanish Authorities, have allotted:—

France...	Nos.	500	to	600;	900	to	999;	1,400 to 1,499
Italy ...	,,	700	,,	750;	1,300	,,	1,399	
Spain ...	,,	1,200	,,	1,299				

The Belgian, German, Dutch and Brazilian Authorities, however, have allotted their own numbers independently. (*See Lists of Racing Yachts under respective countries.*)

Apart from the International Metre Classes, yachts of the following International and National Classes bear the emblems on their mainsail as indicated below:—

International Classes

D	Dragon	14	14ft. Dinghy
FD	Flying Dutchman	T	Tornado
12	Sharpie 12 sq. metre		

These emblems or numbers appear above the letter indicating the nationality and the yacht's number, thus:

$$\frac{D}{K17}$$

National Classes

S	Swallow	▲	Merlin-Rocket
18	18ft.	F	Firefly
15	Swordfish	N	12ft. Dinghy
		R	Redwing Dinghy

These emblems or numbers appear over the yacht's number, thus:

$$\frac{F}{26}$$

It is hoped that the above information used in conjunction with the Register itself, will facilitate the identification of yachts and at the same time be of interest to yachtsmen. It must be added, however, that the Editor of the Register has to depend upon the co-operation of the various National Authorities in making this Section as complete and up-to-date as possible.

FLAGS OF YACHT CLUBS, SAILING CLUBS AND DISTINGUISHING FLAGS OF YACHTSMEN

Reproductions of Club Flags, Distinguishing Flags and alterations thereto received since the 1956 edition of the Register are embodied in the supplementary plates at the end of this section.

INDEX TO DISTINGUISHING FLAGS

To facilitate reference at sea, the Distinguishing Flags have been arranged according to colours :—
1st, Red ; 2nd, Yellow ; 3rd, Dark Blue ; 4th, Green ; 5th, Light Blue ; 6th, Chocolate ; 7th, Purple ; 8th, Black.
Combinations of two or more colours generally follow the principal colour in the order above.
In Flags with vertical designs the colour next the mast is the principal colour ; in horizontal designs, the top colour.

Whilst Lloyd's Register has no jurisdiction over the choice of flags or burgees, it is suggested that before a design is adopted care should be taken to avoid its confusion with any of the International Code of Signals. It would also be well to see that the proposed design does not conflict with any other flag reproduced in the Yacht Register.
